BABY WATERS.

Every thin, pale, underfed baby is a shining mark for wasting diarrhoeal disorders that put in their appearance with the advent of hot weather. Yet every death from an intestinal disorder shows either neglect or ignorance on the part of the parents.

The only safety for pale, weak, sickly babies is to keep up their strength without irritating their intestines, and the great problem of feeding delicate babies in hot weather has been solved to the complete satisfaction of hosts of mothers by lactated food.

It is a perfect substitute for healthy vigorous, mother's milk, and the one infant food which possesses the best scientific combination of all the elements necessary to the complete nutrition of the growing child.

It has saved thousands of infant lives, and its praises have been said by thousands of grateful, happy mothers.

Read the following letter from Francis T. Waters, principal of the Gregory Normal Institute, Wilmington, N. C., whose beautiful baby's picture is printed above:

"I send you with this a picture of our little girl, whose health is due to lactated food. One year ago, we stopped using lactated food and tried another, but soon her bowels became irregular, and we returned to lactated food. She is just past two years old, has all her teeth, and is the healthiest, merriest, rosiest little girl you ever saw. We have not had a doctor's bill to pay and have the sweetest and best baby in the world. I can speak in the highest terms of your lactated food for children."

## SIX NEW SOCIETY HOUSES.

At Plainville Camp Ground.

Plainville, July 26.—The six new society houses on the Methodist camp ground are each two stories high and nearly completed. They are marvels of neatness and convenience for a small outlay. A model, which Mr. and Mrs. C. T. McGee of Park street have largely carried out, is the South Park (Hartford) house. The money to build it (\$600) has been raised in that society by subscription the last six weeks, largely by prepaying the rent of rooms, some paying ahead for several years. The amount is credited until used at the rate of 50 cents a day for each person. The ground floor is a prayer-meeting room 22x32, with the whole front of doors which fold back from the veranda. At night it is the sleeping room for men, and has a large closet where the beds are stowed away by day. The second story has a center hall opening on to the first balcony and four chambers on each side, every one furnished with woven wire springs, mattress, toilet table, and wardrobe hooks, with a platform over the hall for trunks, etc., and the whole top open from each room with windows on all sides for ventilation. In the rear is the kitchen, 12x14, where packing boxes are utilized for furnishing. There are cupboards, shelves, seats, a cold storage pit and a stove, all conveniently arranged.

Secretary Parker and Manager Dutton are on the ground to direct the people as they arrive from all parts of the state. The dedication services of the South Park house will be at 6 o'clock, Monday, July 29.

Colon, Colombia, July 26.—The strike of wharf, ship and other laborers, including the switchmen on the railroad, which has been causing utter stagnation in business circles, is partially over, although it continues at Panama. It is expected that all trouble will cease in a few days. Transit of the Isthmus is not impeded.

## The Panama Strike.

Brown—You look as if you had the blues. Robinson—So I have. I've lost my beautiful new silk umbrella. "Where did you leave it?" "I didn't leave it anywhere. The owner met me on the street and took it away from me."—Texas Siftings.

"We must have a strong man, and that is all there is to it," the fat passenger was saying to the other passenger, when the long nosed man on the seat behind them leaned over and asked: "Excuse me, gents, but air you talkin' politics, or in the dime museum business?"—Indianapolis Journal.

## THE MARSH FAMILY.

It Will Hold a Reunion at Springfield July 31.

The tenth reunion of the Marsh Family Association of America will be held in Carlisle Chapel, Springfield, Mass., the 31st. The program has not yet been arranged, but J. M. Marsh of Springfield, and Jonathan Johnson of Greenfield, will meet this week to prepare it. A business meeting of the association will be held in the forenoon, to be followed by a basket lunch and addresses.

This meeting is of special interest to descendants of John Marsh of Hartford, who was born in England in 1618 and came to this country when he was 17 years old. He was one of the early settlers of Hartford, and his name appears on the memorial shaft to the old settlers in the Center Church burying ground. In 1658 he removed to Hadley, Mass., and was one of the settlers of that town. John Marsh was the head of the largest of the eleven families which will be represented at the coming reunion.

The present officers of the association are: President, Riverus Marsh of New Brunswick, N. J.; vice-presidents, Charles E. Marsh of New Milford, John E. Marsh of Hartford, Horatio N. Marsh of Joliet, Ill.; James A. Marsh of Cleveland, O.; Edward W. Marsh of Bridgeport, William L. Marsh of Washington, D. C.; John Howard Marsh of New York, Sanford Marsh of Montague, Joseph D. Marsh of Hadley; secretary and treasurer, J. Johnson of Greenfield; historian, the Rev. D. W. Marsh of Amherst.

## TROWBRIDGE'S PROPERTY GONE.

Has, It is Said, Exhausted His Inheritance of \$30,000.

It is said that Thomas Trowbridge, notice of whose assignment appeared in the Courier yesterday, has about exhausted his inheritance of about \$35,000 left him by his mother, Mrs. Lucy Parker Trowbridge, who died in 1887. Mr. Joseph Parker, father of Mrs. Trowbridge, left \$145,214.80, but Mrs. Trowbridge died before the estate was divided, and Mrs. Trowbridge's children, Thomas, Joseph Parker Trowbridge and Katherine Bacon Trowbridge, came in possession of her share in 1891.

Thomas Trowbridge's share included stocks and gilt edged securities and a one-quarter interest in the building on State street, occupied by Foote's fish market. When Thomas took the management of Lothrop's opera house in Providence he mortgaged his interest in the State street property for \$6,000 to the Silverthaus of this city, and this mortgage still remains a security on the same. He lost \$10,000 in his Providence venture, and his assignment is made for the benefit of his creditors there. He has, it is said, speculated in stocks and lost money in these and other ventures, until now it is believed that when his debts are paid he will have nothing of his inheritance left.

## FAIR HAVEN.

Racing at Riverside Park—Dance at Lighthouse Point—The Pequot Racing Course Too Narrow—Funeral of Jessie Kay—Sunday Services at East Pearl Street Church.

The racing track at Riverside Driving park was thrown open to the public Thursday afternoon. About three hundred persons assembled and as some of the racing was very close there was considerable excitement. An exhibition mile was run between George Cripp's Yaller Gal and pacer Charley Clancy and Mr. Pettit's Harry H. There was close work in the race, but Harry H. succeeded in getting first place. The colt race was not the least interesting of the race and was won by Officer Bright's sorrel amidst much excitement.

There was a large and select crowd at the dance at Lighthouse Point last evening. These dances are given every Wednesday and Friday evenings, and have proved very successful this season.

C. D. Manwarring leaves to-day for Shelter Island to join his wife and children, who are summering there. He will also make a trip to Amagansett.

The "Rovers" Wheel club will not have their races on the Pequot course this year, as there are a great many entries and the road in places is quite narrow since the electric road was put through. An interesting feature of the races this year will be a band concert given at the close.

The funeral of Jessie Albertha Kay, only daughter of Henry and Emma J. Kay, was held at her late residence, 92 Townsend avenue, Thursday afternoon at 3:30. The deceased was eighteen years of age. Four cousins, Walter Avery, George Avery, Frank Burnham and Arthur Ellis, assisted by William Bishop and Wilbur Welch, acted as bearers. Two hymns were sung by a quartet composed of Lena Smith, Nora Sage, Harry Sauty and Mark Hare. Rev. E. C. Sage was the officiating clergyman. The floral offerings were many. Jessie in white and pink.
